

The Past Year in the Applegate/Weimar Area

This is for all homes sold in Applegate and Weimar during the past year. Only 13 sales are represented, and they show a slight increase in prices. Below we see that last year many were short sales, this was followed by a decreasing percentage of foreclosed (REO) sales. Meanwhile, the number of Actives on the market has decreased, giving us a small inventory. 11/12/2009.
