

## Lake Wildwood, The Past 11 Years, Non-Lakefront

Here we look at all non-lakefront homes in Lake Wildwood for the past 11 years. This shows the rise and fall of home prices in this gated subdivision. It is adjusted for a home built in 1985, of 2000 SF, and on a 0.3 acre lot. We see that prices peaked in mid-2006, and are now at the rate that they were at in late 2001. 5/25/2011.
