

# The Past Year in Peardale/Chicago Park

This is for single family residences in the Peardale/Chicago Park area. This includes also the REOs and Short Sales. The graph above shows sale prices over time, and indicates an increase of prices of 15% in the past year. Below we see the percentage of REOs and Shorts Sales, showing very few short sales and foreclosed properties sold. In the graph at bottom right we see the median sales price for homes; most notable is the steady increase of “normal” sales prices. (9/22/2010).
