

Seasonal Variations for Newcastle

This is a look at variation of sales in Newcastle, and southern Auburn, Area 12658, over the past 6 years. Note that these graphs start at a value higher than zero at the lower left corner. Overall price and Price Per SF are greatest in the spring and summer, and lowest in the winter. Below we see that the number of sales drops in the winter, while the Days On Market is greatest in the spring. 7/1/10.
